

# Paralegal Committee Presents Third Annual Careers in Law Fair

Building on the success of the past two years, the IndyBar Paralegal Committee presented its third "Careers in Law" Fair Wednesday, June 11. While previous fairs had taken place at Shortridge Magnet High School for Law and Public Policy, this year's fair traveled to Gambold Preparatory Magnet High School, an Indianapolis Public School located on the city's west side.

Gambold Prep school officials were enthusiastic about the opportunity to host the fair this year and dedicated classroom space throughout the school to the effort. This allowed the high school students to rotate between rooms, where they interacted with representatives from 12 different career opportunities in the legal field. In addition to the Careers in Law Fair, Marion County

Clerk Beth White conducted a "Y-Vote" voter education program with the students in the afternoon.

The IndyBar thanks Paralegal Committee Chair Julia Kleinschmidt of Bose McKinney & Evans LLP as well as the entire Paralegal Committee for their extraordinary efforts in planning and executing this fair each year. •

## Thank you!

These individuals graciously offered their time to help students learn about careers in the legal field at the 2014 Careers in Law Fair.
